

GREAT SAVINGS AT VISITOR ATTRACTIONS

WITH DISCOVER IRELAND AUTUMN-SAVERS DISCOUNT VOUCHERS

How AUTUMN-SAVERS Discount Vouchers Work

The Vouchers can be used to obtain discounts off the admission prices to any of the participating attractions featuring an Autumn-Savers offer in this brochure.

The voucher's €€ discount value varies from attraction to attraction and ranges from €2.50 to €30.00 off the TOTAL cost of TWO adult admissions. The exact discount the voucher entitles you to, and its valid dates during 2009, is always clearly stated within the attraction's offer.

Attractions featuring the **[F]** symbol will also accept the same discount off the price of a family admission ticket.

VOUCHERS are on page 05 and their terms and conditions of use are on the back of the vouchers.

All around Ireland there are great visitor attractions to be explored and enjoyed during autumn - from castles, caves and historic houses to sea-life centres, museums and national parks.

Use your Discover Ireland **AUTUMN-SAVERS** Discount Vouchers on page 05 and you will make great savings against the cost of admissions to our featured attractions.
